

IMAGIN'S GIS FOR EVERYONE AWARD

The GIS for Everyone Award is presented to an organization that seeks to make GIS data or analysis accessible to other organizations and/or to the public. GIS organizations that strive to disseminate and share data make spatial data available to everyone

— 26th Annual —
**IMAGIN
CONFERENCE**

June 4-6, 2017 | Traverse City, MI

2017 IMAGIN GIS FOR EVERYONE AWARD WINNER

City of Livonia Information Systems Department

Implementation of
Local Government
Information Model
(LGIM) and rebuild
all of the online
maps based on
LGIM requirements.

The image shows a screenshot of the 'Livonia Online Maps' application interface. At the top left is the City of Livonia logo. The title 'Livonia Online Maps' is displayed in a large, white, serif font. Below the title is a background image of a modern building with cylindrical towers. In the foreground, four application thumbnails are shown in a row, each with a white border and a blue arrow pointing left or right. The thumbnails are: 1. 'General City Map' with a dark map background. 2. 'Parks & Recreation Facilities' with a green map background. 3. 'Transit System' with a map showing transit lines. 4. 'Trash Pickup' with a map showing colored zones. Below each thumbnail is a blue caption: 'Livonia Public General City Map Application', 'Parks & Recreation Facilities', 'Transit System', and 'Trash Pickup Day Application'.
