2020 IMAGIN ANNUAL AWARDS CEREMONY

August 19, 2020 – Held Virtually via GoToMeeting

IMAGIN'S GIS INNOVATION AWARD

The GIS Innovation Award will be presented to an organization that finds innovative ways to use geospatial solutions to enhance workflow processes. Candidates for this award should have successfully implemented a geospatial technology, service, or application that is new and innovative to their organization. Applicants will be judged on collaborative efforts, contribution to the workflow, and original ideas.
